

STRUCTURAL FAULTS + REPAIR-2020

&

European Bridge Conference-2020

18th International Conferences & Exhibition
16th – 18th June 2020
Radisson Blu Hotel, High Street
Edinburgh, Scotland

Call-for-Papers

Abstract deadline = 13th December 2019
www.structuralfaultsandrepair.com

Call-for-Papers

Call for Special Sessions & Mini Symposia

Guest Editor Opportunities: *Construction & Building Materials* (IF = 4.046)

Theme 1: EXTENDING THE LIFE OF BRIDGES & INVESTIGATION & REPAIR

- New Bridge Construction
- Bridge Management & Whole Life Costing
- Remaining Life Prediction of Bridges
- Long-span Suspension & Cable-Stayed Bridges
- Concrete Bridge Investigation & Repair
- Post-Tensioned Concrete Bridges
- Masonry Arch Bridges
- Steel, Iron, Aluminium & Timber Bridges
- Monitoring & Investigation of Bridges: NDT: AE, Radar, Sonics & Ultrasonics
- Bridge Scour
- Composites in Bridge Repair; Corrosion & Cathodic Protection

Theme 2: EXTENDING THE LIFE OF CONCRETE + CFRP & GFRP

- Concrete Investigation & Repair
- Corrosion, Cathodic Protection & Realkalisation
- Concrete Repair
- Restoring Concrete Durability; Repair Materials & Techniques
- Composites: FRP, CFRP, GFRP in Repair
- Column & Beam Repair
- NDT & AE of concrete and composites + Early Age Testing of Concrete;
- Forensic Investigation of Concrete & FRP

Theme 3: EXTENDING THE LIFE OF BUILDINGS & CIVIL STRUCTURES

- Building & Housing Assessment & Repair; Repair in Seismic Zones
- Masonry Structure & Bell Tower Investigation
- Brick Masonry Repair & Stone Masonry Repair
- Masonry & Cast Iron Strengthening with FRP
- Timber Preservation & Repair
- Car Parks; Civil Structures & Repair
- Marine Structures & Jetties: Management & Repair
- Dams & Power Stations, Tunnels, Pipes & Foundations Repair; Highway Pavements
- NDT Methods for Forensic Investigation of Buildings, Masonry & Civil Structures

Theme 4: USING RE-CYCLED MATERIALS

- Use of Recycled Construction Materials; Use of Waste Materials in Repair & Maintenance
- Sustainability & Cost Effectiveness of Re-Use of Waste Materials

Open Discussion Forums

There will be an Open Discussion Forum + “Nugget Presentations” at which all Delegates may contribute

Conference Chair: Professor Mike Forde, PhD, FEng, FRSE, Hon.ACI, CEng

On-line submission 200-word Abstract: deadline: 13th December 2019
