

SDN Learning Festival 2022

May 21-22

The **Service Design
Network Learning
Festival** is an international
virtual conference
connecting the next
generation of service
designers.

This 48 hour event showcases the
amazing work and achievement of
students all over the globe; serving
as a platform to build personal and
professional networks.

Open to all disciplines, our goal is
to facilitate learning and push the
boundries of service design to foster
growth, **together in synergy**.

What to expect:

- If you are a student interested in service design, this is the place to be in May 2022!
- If you want to study service design, we offer the best overview on academic programs and their output across the world!
- If you are looking for young talents, do not miss this opportunity!

Be prepared for an untraditional and
interactive adventure.

We're excited to see you soon!
