MORE INFO:
WWW.SAINT-GOBAIN.RS/ASC

The Architecture Student Contest is an **international competition** challenging students to develop a **modern and sustainable project**.

Attracting over **1 600 students coming from 32 countries**, the competition is a great chance to gain professional experience in an international context.

Create your project and compete with students coming from **all around the world!**

The closing day for registration (mandatory National level) is 27.02.2023.
